

IBIZALIVE

2018 PRESENTATION

What is Ibiza Live TV

Ibiza Live TV - The 24/7 always on Ibiza Ad Network & channel.

In 2018 our digital screen platform sees us expand to over 90 hotels on 9,000 screens to an audience of approx 40,000 people each day. We are the only in resort platform to advertise, promote and market your brand, event, app, message or service to a real audience.

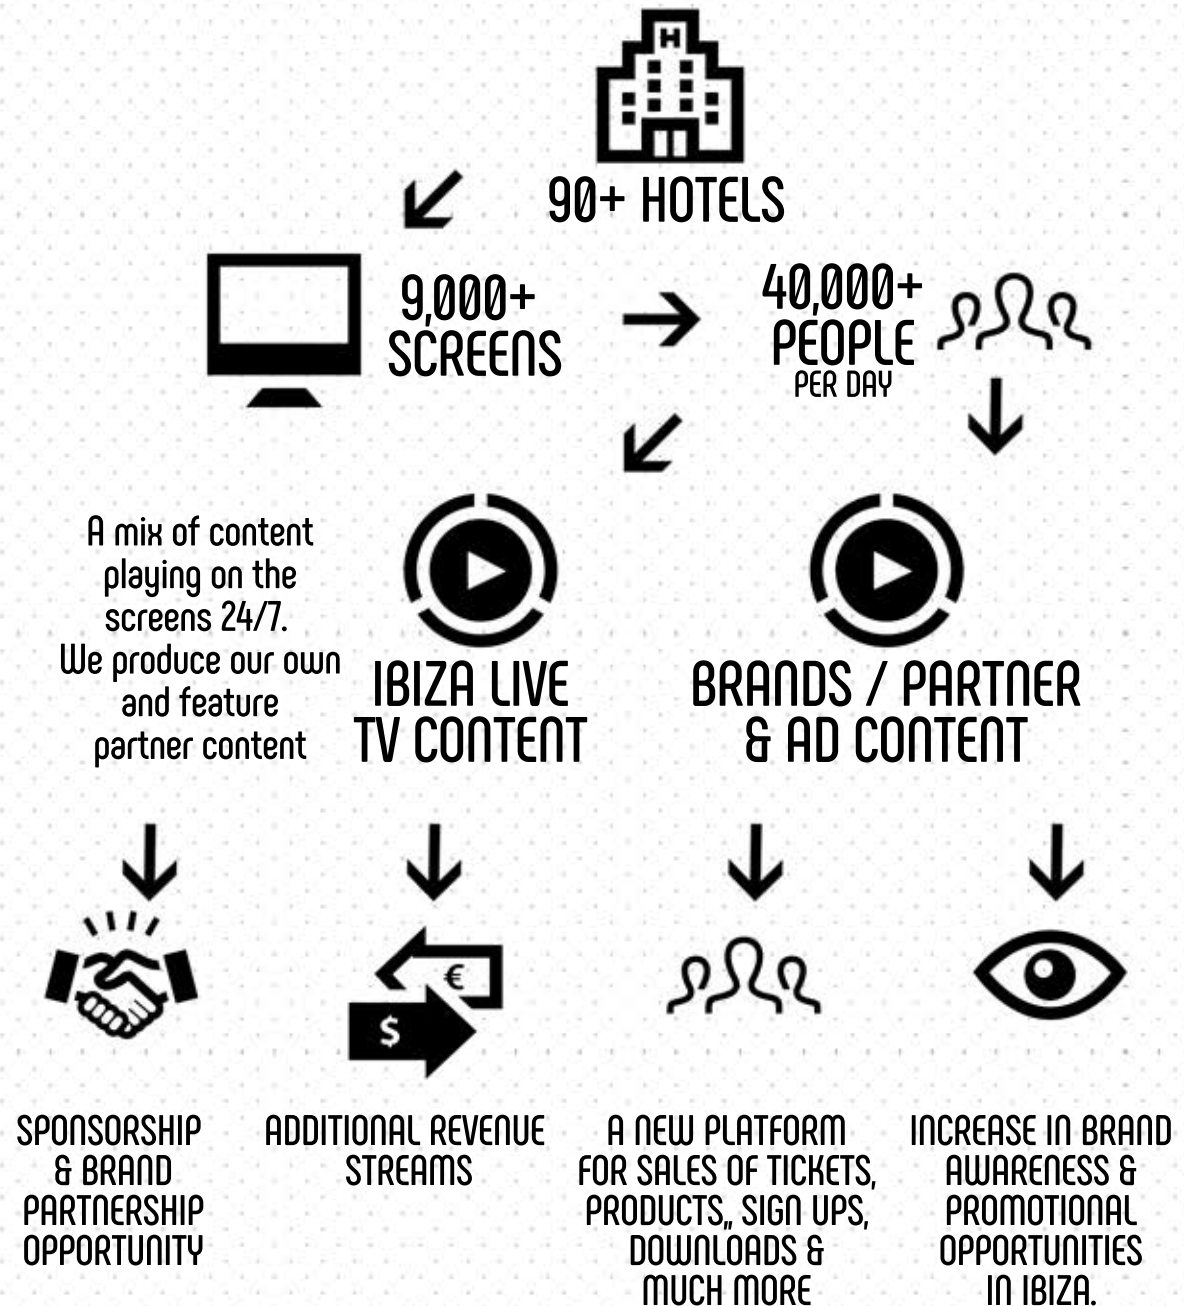

In 2018 our network will be expanding to new platforms, territories and technologies in the balearics plus broadcasting globally via our distribution network available via a number of partner platforms, websites on all devices. We have access to the most essential commodity - People! We give free access to content makers and creators to utilise their digital content via the Ibiza Live TV platform.

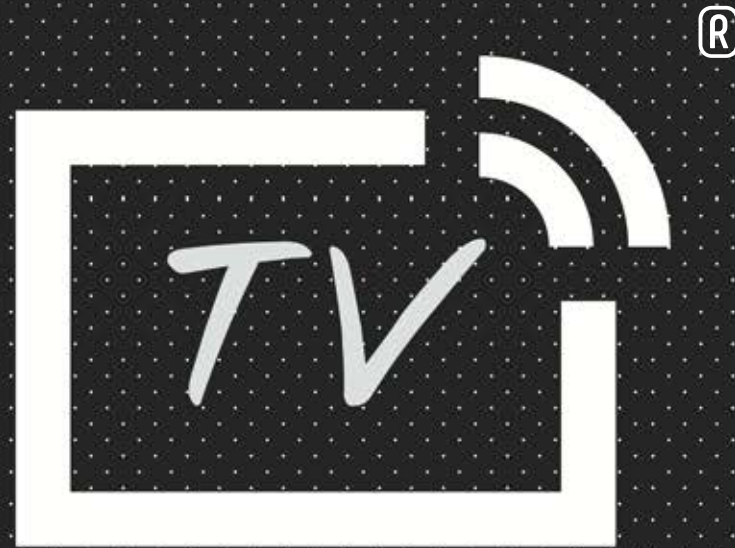

Join the success of some of our recent advertisers which have included Universal Films, Samsung and many more global brands. 2017 Partners included DJ Mag, Be At TV, Data Transmission and many more of dance musics leading names.

Join us in 2018 as we partner with the local Ibiza councils, British consulate and other governments to promote a message of consciousness, safety and awareness of drugs, alcohol and the environment to people travelling to Ibiza along with educating them about one of the most influential islands of music.

Join Ibiza Ibiza Live TV - You have everything gain with absolutely zero risk.

How does it work
